THOMAS JEFFERSON

Document

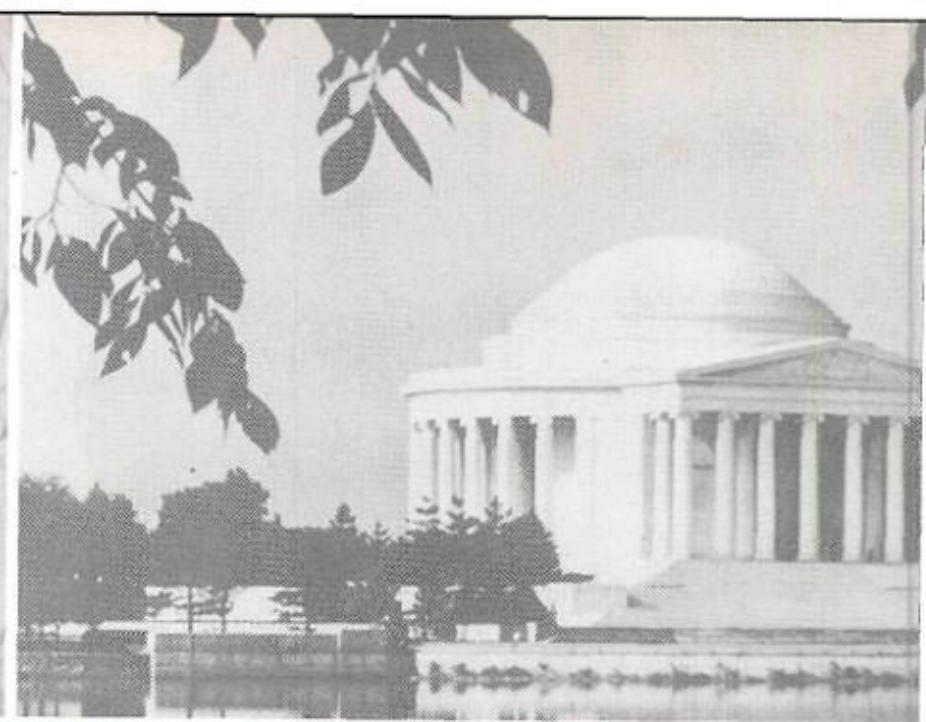

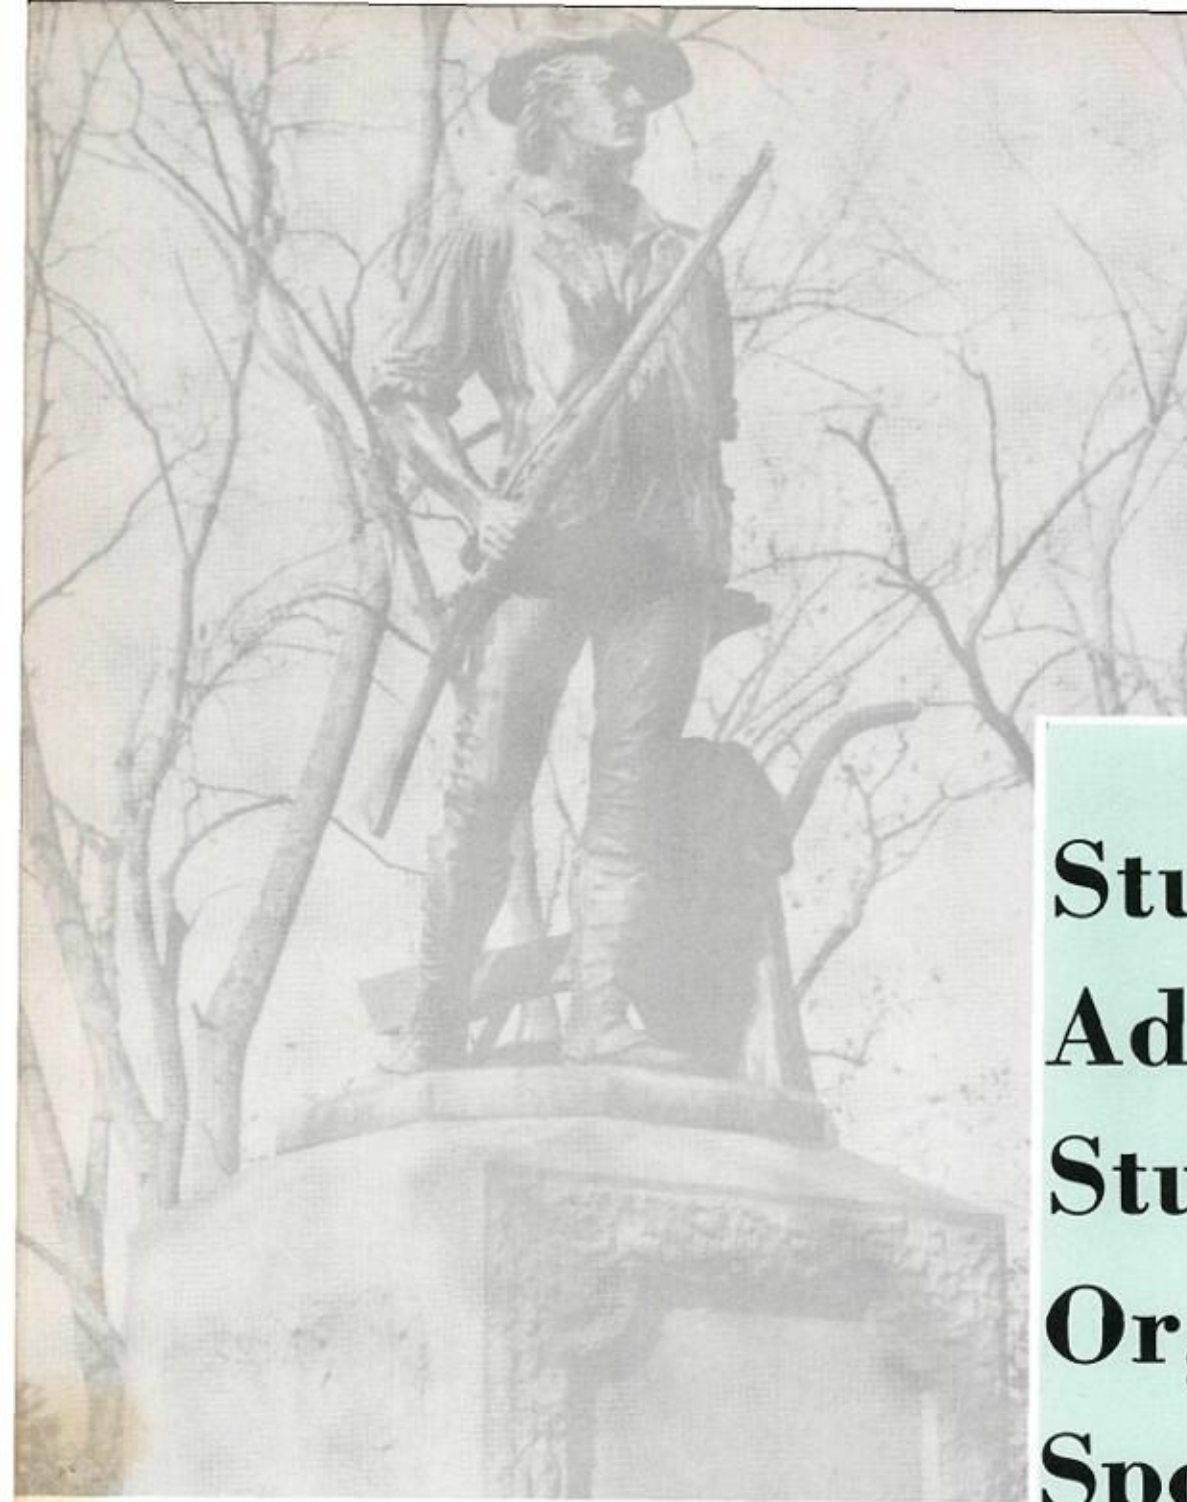

The Rebels, Colonel Reb, the Confederate flag—these are a part of Thomas Jefferson High School. The excitement and color of the War Between the States has inspired much of which we consider our tradition.

And yet our heritage is a mixed one. The Revolutionary War has provided us with the name, Thomas Jefferson, the Rebels, and the DOCUMENT. It is this historical era with its implications of high principles that we wish to call to mind.

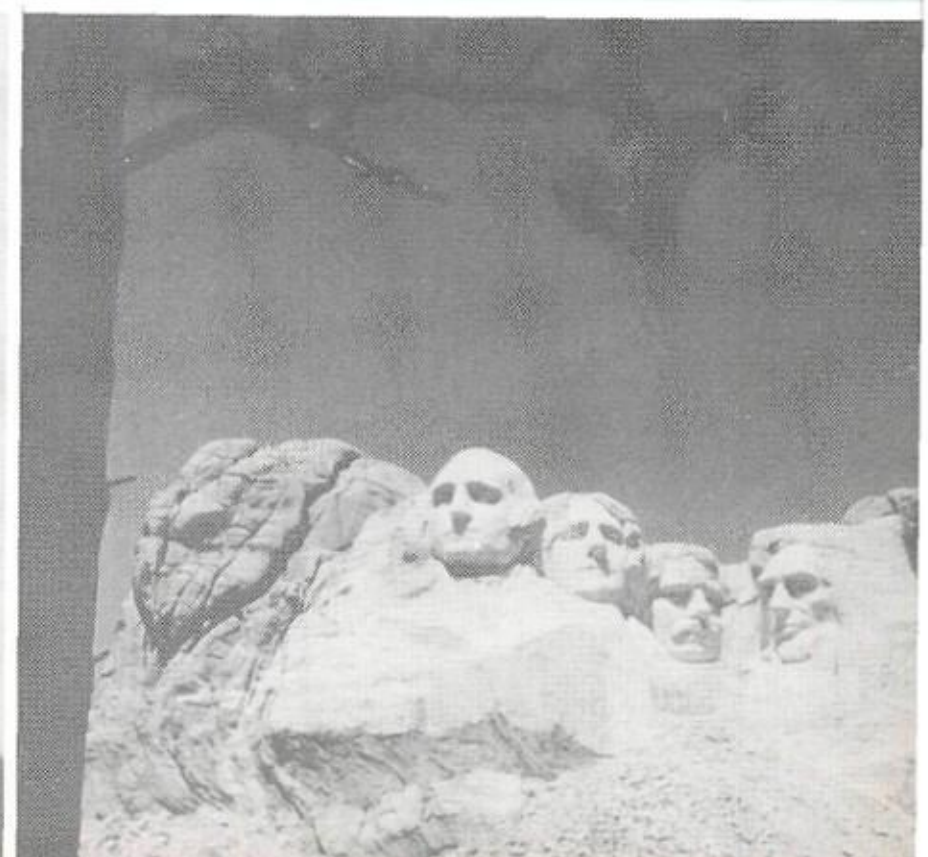

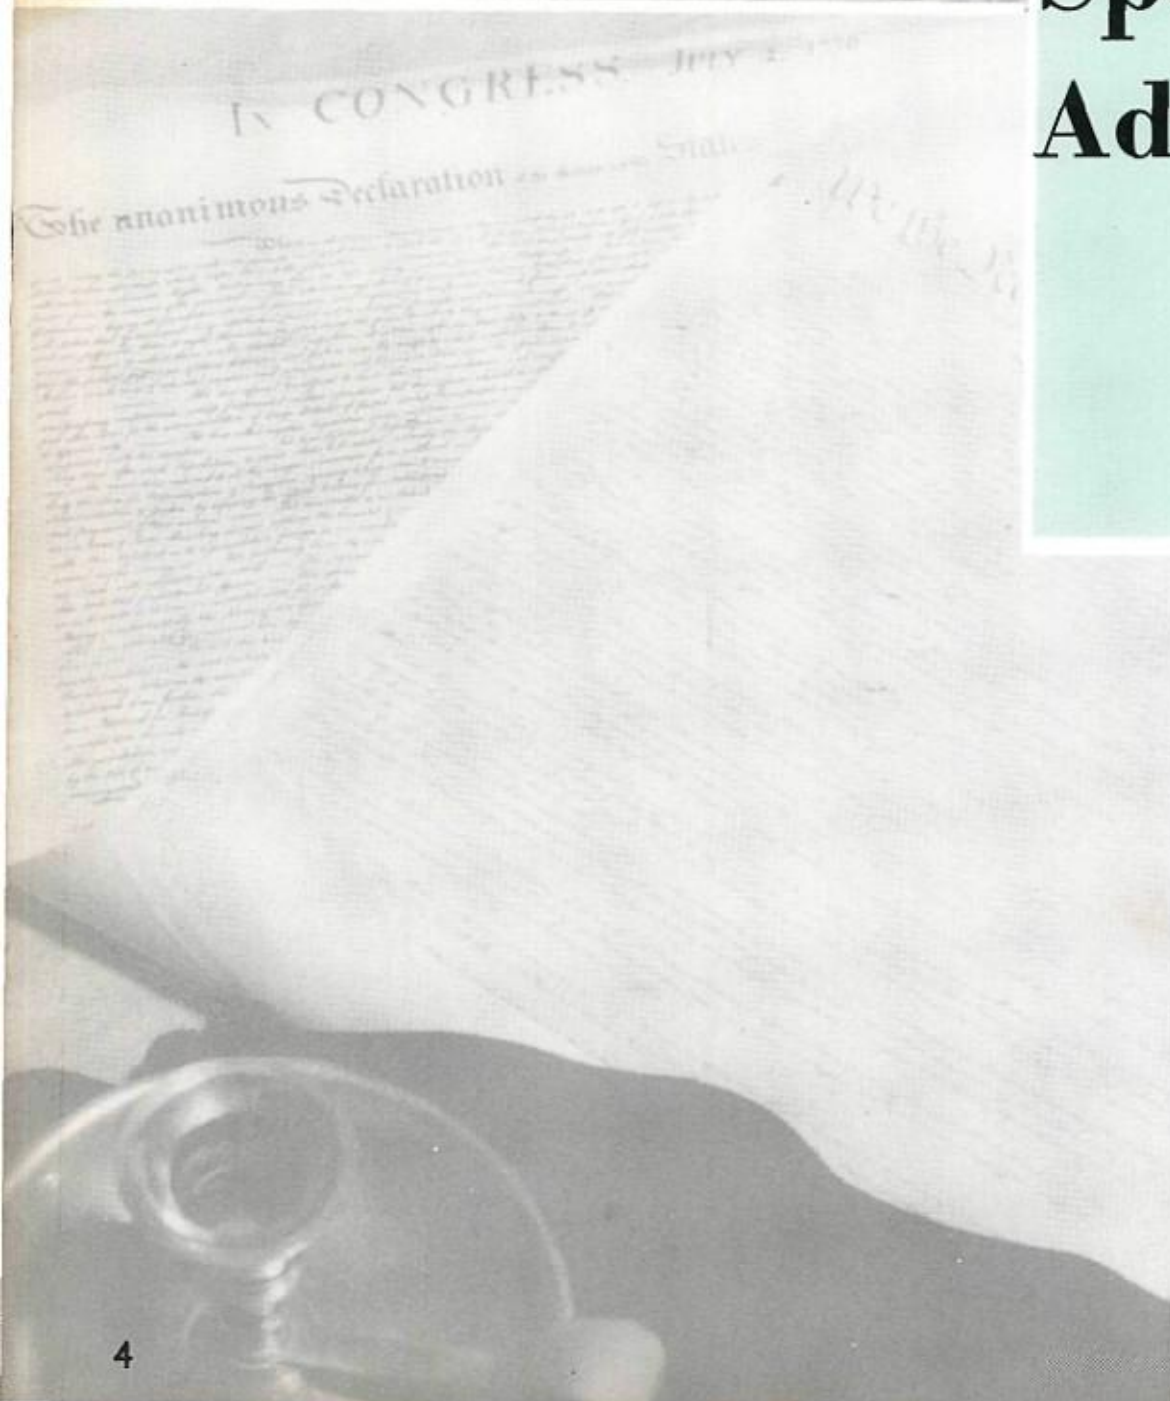

Tributes to this period serve as a reminder of our school heritage and are the basis for our theme. Thomas Jefferson's family crest, which appears symbolically on the senior ring and the graduation announcements, sets the tone of this, the sixth edition of the DOCUMENT.

DOCUMENT BEAUTIES

Selection of the 1961-62 Beauties was a difficult task, according to the judge, Mr. Tom Hughes. Following nominations from the homerooms, the girls submitted photographs from which Mr. Hughes selected 50 girls, who were interviewed personally at the Beauty Tea. From the tea, a function graciously hosted by Mr. and Mrs. Howard Jones, came the 8 finalists and 5 beauties.

The DOCUMENT Staff feels that we were fortunate to have so competent a judge. Mr. Hughes' experience as Managing Director of State Fair Musicals, past Associate Producer of American Fashion, and judge of many contests from "Miss Wool" to "Miss Dill Pickle," certainly qualifies him as an impartial critic. His critical standards were basic ones—photographic beauty and personality, charm, poise, and humor as expressed in the interview.

Military Ball Highlights N.D.C.C. Year

The Thomas Jefferson N.D.C.C. held their annual *Rifles and Ruffles* Military Ball in the girls' gym, February 23, 1962. The theme of the ball was built around recognition of the different branches of service. The decorations were red, white, and blue, depicting the emblems of these organizations. Music was furnished by a combo composed of David Loving, Phil Joseph, and Bobby Houston. Cadet Colonel Davey, the Corps commander, presented the queen, Honorary Cadet Colonel Janet Blailock, during the intermission.

ADMINISTRATION

BOARD OF ADMINISTRATION

The Board of Administration has gained a renowned reputation for the Dallas school system. Besides planning for the growing community of students and studying the needs of the child as an individual, the board prepares the students for the position they will assume in tomorrow's world.

FRONT ROW: Dr. Edward D. Walker, Assistant Superintendent in Charge of Personnel; W. T. White, Superintendent in Charge of Administration; Dr. Frank Williams, Assistant Superintendent in Charge of Instruction. ROW 2: Dale Douglass, Assistant Superintendent in Charge of Business; Hollis A. Allen, Assistant to Superintendent; Don E. Matthews, Assistant Superintendent in Charge of Special Services; R. H. McKay, Assistant Superintendent in Charge of Administration.

BOARD OF EDUCATION

Dallas has been fortunate in having many outstanding governing bodies such as the School Board. This group contracts for building and expansion of educational facilities, leads Dallas into national educational programs, relates the child's needs with the community, and controls the budget.

Mr. John Plath Green; Mr. Donald M. Bruton; Mrs. Vernon D. Ingram; Mrs. Tracy H. Rutherford; Mrs. R. L. Dillard, Jr., President; Dr. W. T. White, Superintendent; Mr. Van M. Lamm, Vice-President; Mr. Rouse Howell; Mr. R. B. Gilmore; Mr. Robert S. Bolson.

RICHARD E. STROUD

Principal

Since the 1961-62 school year is part of the past, it is also part of Thomas Jefferson tradition. Aptly the theme of the DOCUMENT, tradition, reminds us of our rich heritage, the admirable principles and attainments of the past.

Let me commend you for your attainments this year; may we all continue to pursue that which is our tradition—growth in academic knowledge, in character, and in citizenship.

CARL FINLEY

Assistant Principal

Among the essential qualities which lead to a happy, successful life are truthfulness and sincerity. To realize the full power derived from these qualities one must first be honest with himself. Failure to know one's own character is an obstacle which will prevent the realization of the rewards which come to the truthful and the sincere.

EDITH COOPER

Dean

When it comes to ironing out students' problems and checking the whereabouts of absentees, there is no one more competent than our dean, Mrs. Cooper. The dexterity and placidity with which she manages these situations are important factors in keeping Jefferson running smoothly.

Counselors

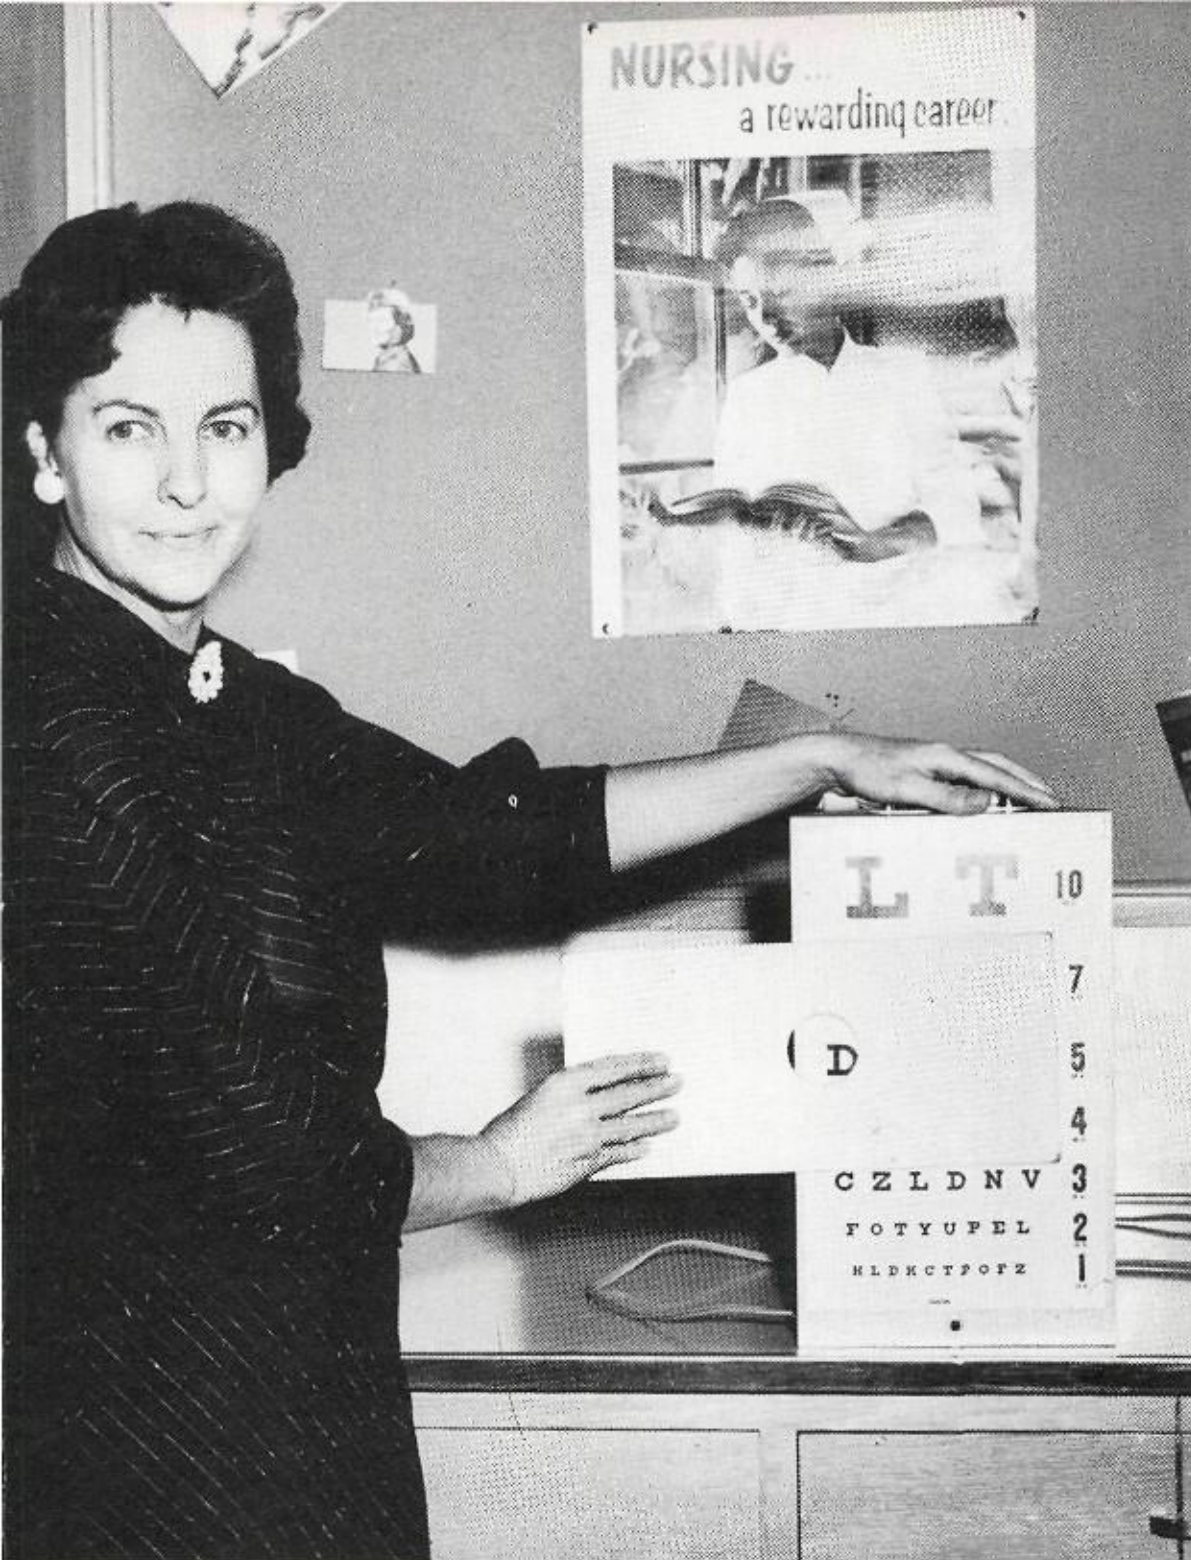

Jefferson now has two full-time counselors, Miss White and Miss Clement, to help guide students through their academic problems. A few of their duties include advising students on subjects needed for graduation and providing information on furthering vocational or educational opportunities.

ERMA NELL WHITE

RUBIA CLEMENT

ELIZABETH CHILDS

Nurse

The school health service is an auxiliary one which teaches students basic health facts that are helpful to the individual throughout life. It emphasizes prevention of disease and promotion of positive health.

Through health evaluation, the nurse reviews the health history, observes and inspects each individual student, and refers pupils who have physical defects or symptoms of disease to their private doctors or clinics.

COLONEL J. B. McCLURE

NDCC Sponsor

The National Defense Cadet Corps is a basic military training program of the Department of the Army, which stimulates interest and appreciation of army careers and service. The program encourages honor, respect for authority, and a religious spirit to guide the cadets in their daily lives.

Responsible for the administration, discipline, and general appearance of the cadets, our new sponsor, Colonel McClure, has proven himself capable of handling his position with dignity and great efficiency.

RUBY FAE ANGELL

Secretary

Always with a smile and a cheerful word for everyone, Mrs. Angell makes appointments, handles correspondence, checks reports, and takes charge of activity money. She is secretary to Mr. Stroud and enhances the office by her bright presence.

Office Staff

Thomas Jefferson's efficient office staff keeps our school running smoothly throughout the school year. They assist the dean by listening to tardy excuses and sending forgotten lunches to frantic students, and they aid the counselors, principal and librarian in their various duties.

STAFF: Mrs. Ida Vignet, Mrs. Mabel Andrews, Mrs. Billye Rothfus, Mrs. Evelyn Laughman, Mrs. Ida Parker, Mrs. Ann Morrow.

JOSEPH DIGIGLIO

Custodian

Our janitor, Mr. Joe, is thought of as the oldest member of the student body, having worked at Jefferson for the past five years. Aside from arriving at school at four or five o'clock on cold, wintry mornings to see that the classrooms are thoroughly heated, Mr. Joe takes care of our lunchroom, labs, classrooms, and halls. He restores TJ to order after vigorous spring campaigns and attends all dances, recitals, and plays presented at Jefferson. His cheerfulness and co-operation are greatly appreciated by faculty and students.

MRS. D. W. SCHULTZ

PTA President

Jefferson's Parent-Teacher Association renders many services to the school which includes aiding students who are in need of transportation, lunches, or clothing; assisting in the delivery to needy families of Student Council Thanksgiving baskets; co-operating with our librarian in order to present the Book Fair; giving aid to the exchange students; and supporting national programs for youth protection and welfare.

MATHEMATIC

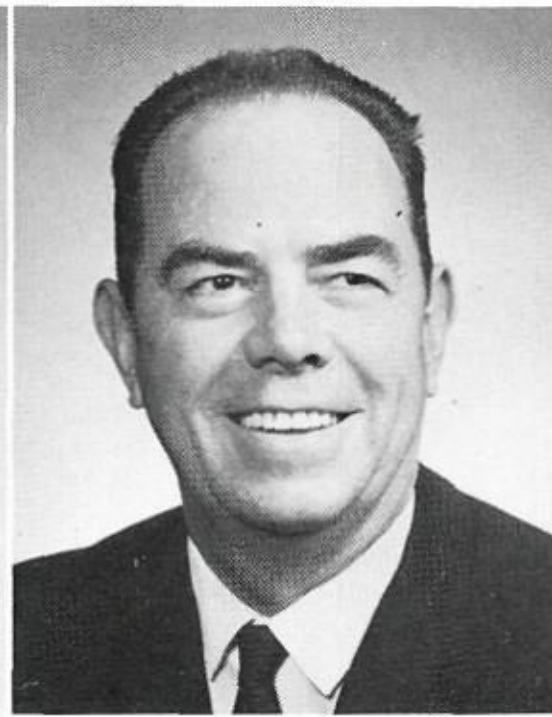

Jefferson's Math Department offers accelerated courses in calculus, analytical geometry, and a new course, Elementary Functions, as well as a broad program in basic algebra, geometry and trigonometry. Those students studying the accelerated courses are eligible in some colleges to take an advanced placement examination, and if an outstanding ability is discovered, have the opportunity to begin college with higher mathematics courses.

A new addition to the department this year was the formation of two slide rule classes under the direction of Mr. Lancaster and Mr. Amyx.

DEPARTMENT

Jefferson's History Department offers several courses presenting a knowledge of social, economic, and governmental problems. Students are required to take World History, American History, and Civics and may choose from such electives as Texas History, English History, Spanish American History, and Economics. A discussion class in Problems in Democracy is included in the curriculum, which aside from general discussion, provides students with firsthand knowledge of today's world by attending press conferences.

FOREIGN LANGUAGE

The Foreign Language Department specializes in the conversational languages while giving a deeper understanding and background to the student. Jefferson's department has three and four year studies in Latin, Spanish, French, and German. The students may learn the customs and habits of our foreign neighbors as they learn to speak their language.

This year Jefferson was privileged to be chosen as representative of the Dallas high school's foreign language departments on educational television. A half hour program was filmed showing class participation and the language clubs' activities.

Because a good foundation in literature and grammar is a basic part of a well-educated individual, Jefferson's English Department is considered one of the most important aspects of the curriculum. FINE ARTS DEPARTMENT

Aspiring toward the creative expression of Jefferson's students, the Fine Arts Department includes courses in speech, music, and art. Students outstanding in the speech classes are given opportunities to participate in speech tournaments, and Jefferson has been proud in winning top honors in both the poetry and dramatic reading divisions. The Music Department gives many programs including holiday assemblies and a musical in the spring. Band and orchestra provide spirit and pleasure for students, while the Art Department, aside from its basic art courses, builds scenery, makes posters, and decorates for dances.

Exchange Students

Dear Thomas Jefferson Rebels,

It's been a wonderful year for me in great Texas, in "Big D," and in great Thomas Jefferson High School. This year I stayed with Mr. and Mrs. Frank Lines from whom I learned about American family life. I have had friendship and understanding through going to school with my sister, Peggy, and through doing things together with her and many friends.

I came from Sendai City which is located in northern Japan. It is the tenth largest city in Japan. I attended a Christian missionary school for girls. There are many differences between American and Japanese schools, such as being in classes with boys, class discussions, and much homework. I enjoyed many parties, school dances, especially twisting, Student Council meetings, Saturday holidays, and the changeable Texas weather.

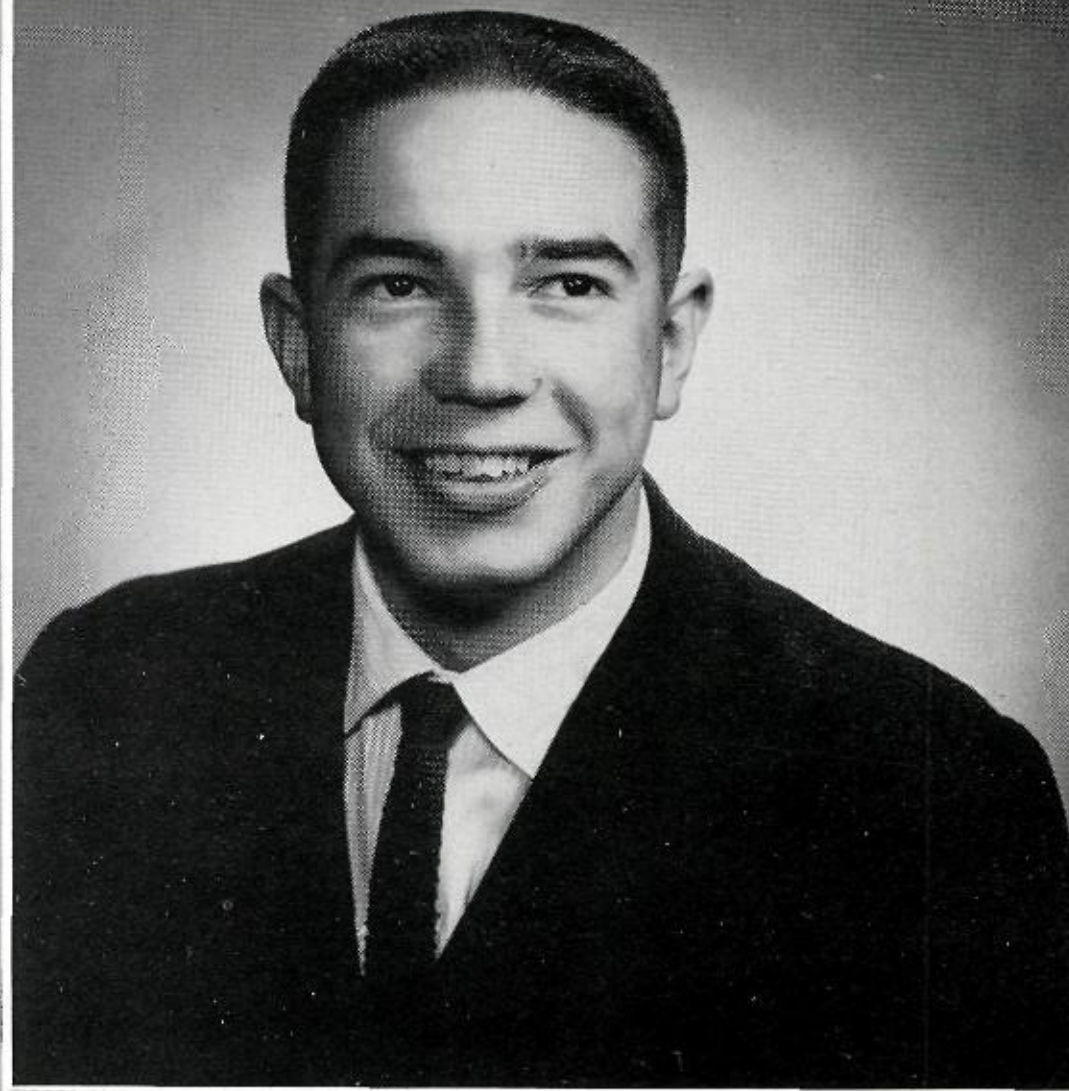

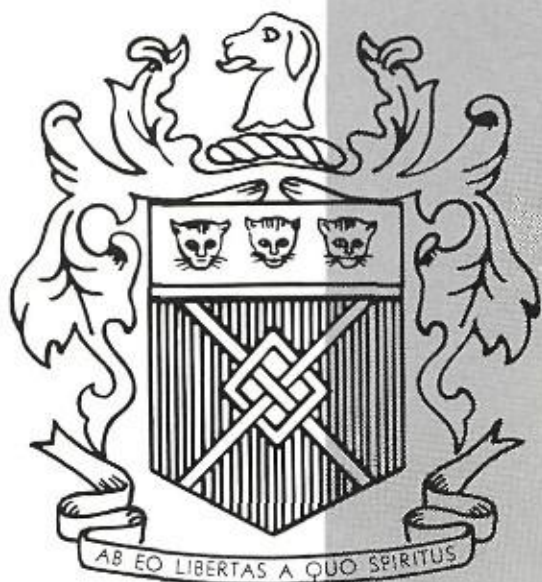

Mariko Okutsu

But above all, the great Texas spirit won my heart. My wonderful year at TJ will be the most cherished memory in my life. I think I know true America through all of you. Now I know there are not so many Indians, cowboys, frontier towns, and fighting, as I thought in Texas. Mutual understanding is most indispensable for world peace. The better we, as Americans and Japanese, know each other, the better our friendship will be. Let's make a tight ribbon of friendship across the Pacific Ocean, even if it is not a big bridge.

We will have the Olympics in Tokyo in 1964. Now why don't y'all plan to come to Japan then. I'll see you there.

Love and Sayonara,
Mariko Okutsu

Pamy Pachel

Dear School,

When I first arrived at TJ I felt like a stranger would feel in a strange country and in a strange school. As the year has passed, I have become so well acquainted with the traditions of this great school, that you have turned a foreigner into a true "Rebel." My first experiences with school spirit and love go way back to the month of September of 1961 when, for the first time in my life, I saw a football game. I didn't know a thing about it, and I didn't seem to care much about it either, but it only took me the first half of the game to understand and feel the spirit of the Thomas Jefferson Rebels, and from that day on I became the greatest fan of our school's teams. This spirit has led me not only through TJ's life in sports, but also through all other events related to the life of this school.

In this letter I want to thank all of the people of this school for making this year one of the best in my life. All the things that I've learned from you will live in my heart forever, together with the image of Thomas Jefferson High School.

Yours very truly,
Pamy Pachel

STUDENT COUNCIL PUTS EMPHASIS ON THE STUDENT . . .

Jackie McAdams, *Treasurer*

SEATED: Jackie McAdams, Lynn Watson, Ken Meyercord, Sally Reed, Steve Tanner. STANDING: Joe Proctor, Maggie Mitchell, Dexter Marble, Linda Warren, Phil Friday.

The emphasis of the 1961-62 Student Council has been on the student. The program of Student Responsibility was the chief undertaking of the year; it is based upon the idea that the high school student is mature enough and responsible enough to be his own supervisor. Although this program has had its ups and downs, over the year the school has profited from it.

The Student Council strove mightily to fulfill its basic function as mouthpiece for student opinion. Great importance was attached to accurate representation of the homeroom sentiment.

Service to school and community characterized the efforts of the Student Council. At Thanksgiving the entire student body joined in collecting food for baskets which were distributed to needy families. And at Christmas, students brought clothes, toys, and books for the same purpose.

Representing 2300 students is a real challenge; the Student Council is proud to say that it has tried to meet this challenge throughout the year. It is hoped that history will judge the 1961-62 Student Council to have succeeded in this difficult task.

Election to the National Honor Society is the highest ideal to which a high school student may aspire. To uphold the ideal of scholarship, a member of NHS must maintain an overall B average and make no grade lower than C on the semester average in any subject. Scholarship, however, is not the only basis for election to NHS. The society has four ideals. Service, Leadership, Character, and Scholarship. These ideals are the foundations upon which this society was begun and will continue to grow. The Thomas Jefferson branch of the National Honor Society is composed of very select junior and senior students who strive to live up to each of the four ideals.

Whatever we may become—scientists, ballerinas, globe-trotters, dress designers, mathematicians, architects, decorators, or painters—we know that the French language is an asset. We also know, *entre-nous*, that a better understanding of the culture and customs of another nation is vital. So, we increase our knowledge at our meetings with films, slides, games, songs, and reports. And we climax our year with a banquet—French menu, *naturellement!*

Entre Nous is open to all students now taking or having taken French.

Thomas Jefferson is proud to have a local chapter of the National Honor Society for Spanish students. Our chapter, which is sponsored by the American Association of Teachers of Spanish and Portuguese, is named for Jose Vasconcelos, the creator of Mexico's system of public education. From the founding in 1958 symbolic initiations in the fall and spring of each year have recognized the outstanding scholastic achievements of Spanish students. The Society, whose motto is "Todos a uno" meaning "All together," seeks to encourage members to further their studies of languages, the key which unlocks the door to tolerance and understanding of diverse foreign customs. The club is sponsored by Miss Sara Davidson.

Reveille

The Reveille, Thomas Jefferson's bi-monthly school newspaper has begun another successful year informing and entertaining its students. Increasing the circulation somewhat over last year's unbelievable strides to 1700 copies sold per issue, this year's staff has worked hard and produced thus far in the semester, one six-page and four eight-page papers.

The Reveille has this year also had the opportunity to announce results of many of the outstanding contests held at Jefferson every year, such as Homecoming Nominees, American Field Service Finalists and *Document* Personalities in cooperation with the Student Council and the *Document*.

Keeping and raising the already high standards set for this journalistic endeavor in the past year is a difficult task but can and has been accomplished through the hard work of the devoted staff members and helpful sponsor, Mrs. Maureen Fussell.

MATH CLUB ADVANCES KNOWLEDGE

During the year the math club invited professors from both Texas University and Southern Methodist University to speak to the student body. Thomas Jefferson's Math Club began the school year of 1961-62 with hopes of advancing the knowledge of its members beyond the range of high school curriculum. Its aims consisted of investigating unusual and unique fields of mathematics. Under its president, Harold Granek, and its advisor, Miss Kay Ray, it has had an enjoyable year studying many aspects of mathematics.

"To grow as a person.
To grow in friendship with people of all races
religions, nationalities,
To grow in the knowledge and love of God."

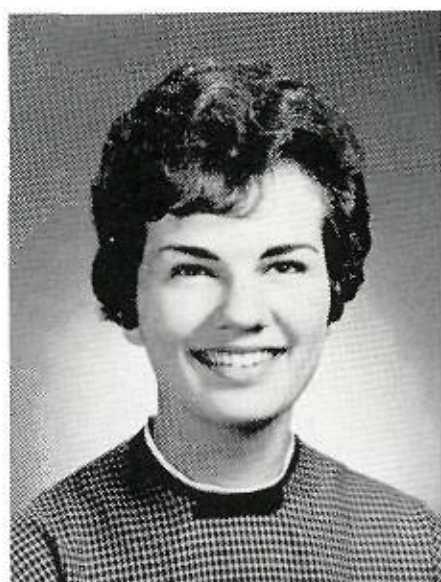

These are the purposes of the Thomas Jefferson Y-Teens.

During the current year the Y-Teens have raised money for the World Fellowship Fund, taken Halloween favors to the children's wards at the Dallas hospital, collected food at Thanksgiving for a needy family, adopted a family for which they collected clothes and many other needed articles, and helped stuff envelopes for the Cancer Drive.

Y-Teens has served the school by presenting the lunchroom graces and weekly devotions. Faculty sponsor of the club is Mrs. Irene Penry.

To promote a better understanding of career training is one of the many goals of Distributive Education at Thomas Jefferson.

Distributive Education is open to juniors and seniors, only. Grades, attitude, health, and an interest in a business career are considered in accepting an applicant for this course.

Activities of the year were outstanding: the Dallas Sales Executive Dinner, at which three of our students were honored; the Sears Foundation Awards Banquet, at which seven of our students were recipients; the Retail Merchants Association Luncheon, where an outstanding student received a ONE HUNDRED DOLLAR check for the best theme on "CREDIT"; and our own Boss Night Banquet, when our D. ENCOURAGES SAFETY FIRST

The Thomas Jefferson Junior Citizens Traffic Commission's goal is to organize and promote traffic safety, not only in our district, but throughout the city. Each high school in Dallas has a Traffic Commission and all meet once a month at the administration building. Each school is represented several times a year at the traffic court where they serve on the jury. One week a year is set aside during which "Traffic Safety" is stressed. Thomas Jefferson sends several delegates from each classification to represent the school at the yearly convention at S.M.U. Annually at the Youth for Traffic Safety Conference, the Citizens' Traffic Commission and the Dallas Association of Insurance Agents present a trophy, which Jefferson won last year, to the school contributing most to Traffic and Safety Education.

The Rebel Spurs is an organization newly formed at Jefferson just this year. It is composed of senior girls dedicated to promoting more and better school spirit. The motto found in the word "Spurs" states more clearly than anything else the aims of the group. "Seniors, with Pep United for Rebel Spirit."

The Spurs, clad in bright red skirts and white sweaters, sit together at assemblies. Aided by colorful Red and Blue pom-poms and loud voices, they help to cheer the team on to victory.

Following pre-season organizational meetings, the newly organized Thomas Jefferson Senior Booster Club, aided by its sponsor, Mr. Harold Bartlett, and the Rebel Rouser Club, prepared to support the Rebel athletic teams.

To improve our relations with Spanish speaking countries by giving students a deeper understanding of the history, customs, and people of those countries is the purpose of the Pan American Student Forum.

Furthering this purpose, the members of the Thomas Jefferson Chapter have met at three Spanish banquets during the past year to hear native speakers from these various countries, and have given Christmas and Easter parties for under-privileged Mexican children. Several of the members attended a convention in Austin where they met with other students interested in these same activities. The club is sponsored by Miss Sara Davidson.

By some unknown miracle, from unorganized ideas, masses of class pictures, numerous club shots, and an abundant supply of casuals, the staff came through like clockwork (a very peculiar clock as it was always slow) with the 1962 edition of the *DOCUMENT*. The final deadline has passed . . . with a sigh of relief we settle back to gather our deadline-shattered nerves, watching our finger nails grow to maturity again.

But somewhere along the line we have managed to collect all of the scattered components into an annual. It is our sincere hope that this edition of the *DOCUMENT* proves as enjoyable to you as it did to us in preparing it.

DOCUMENT AWARD

With the publication of the first edition of the DOCUMENT, a tradition was established to recognize those whose contributions to its success proved especially outstanding. The DOCUMENT AWARD honors not only journalistic achievement, but also unselfish service and willingness to perform beyond that which is expected; in their honor, no more than seven elections in any one year will be recognized. It is hoped that each successive group will live up to the standard of excellence begun by the first, and continued by the following awardees.

LOBOS IN THE WOODS

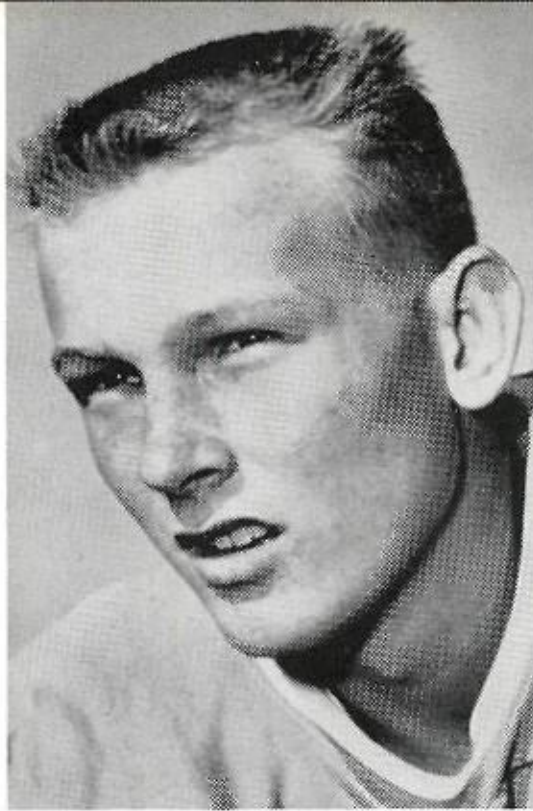

After a heartbreaking defeat to defending state champs, Brownwood, the REBELS rebounded to score a smashing victory over Longview's Lobos. A forty-yard run by Jim Ellington climaxed a Teagarden fumble; then a Lobo punt was blocked and recovered for a touchdown by Ben Johnson. These are two of the high-points in our first win of the season. The final score was 21-6 in Jefferson's favor.

CHAMPIONSHIP

AUSTIN--(SPECIAL)--THOMAS JEFFERSON, THE STATE'S NEW AAAA BASKETBALL KINGPIN, IS THE KIND OF CHAMPION THAT LEAVES A GOOD TASTE IN YOUR MOUTH.

"EVERYTHING ABOUT THAT SCHOOL IMPRESSED ME," SAID ONE OUT-OF-TOWN WRITER AT THE STATE MEET IN AUSTIN THIS WEEKEND.

"EVERYTHING IS DONE IN GREAT STYLE, BUT NO ONE IS A BIT COCKY ABOUT IT. THE PLAYERS HAVE CONFIDENCE BUT THEY ALSO REPRESENT THE KIND OF INSTITUTION YOU LIKE TO SEE CROWNED AS BEST IN THE STATE."

CARL FINLEY, THOMAS JEFFERSON ASSISTANT PRINCIPAL, SAW IN THE CHAMPIONSHIP THE BIRTH OF A TRADITION.

"WE HAVE SOMETHING STARTED," HE SAID, "SOMETHING FOR FUTURE ATHLETES TO SHOOT AT."

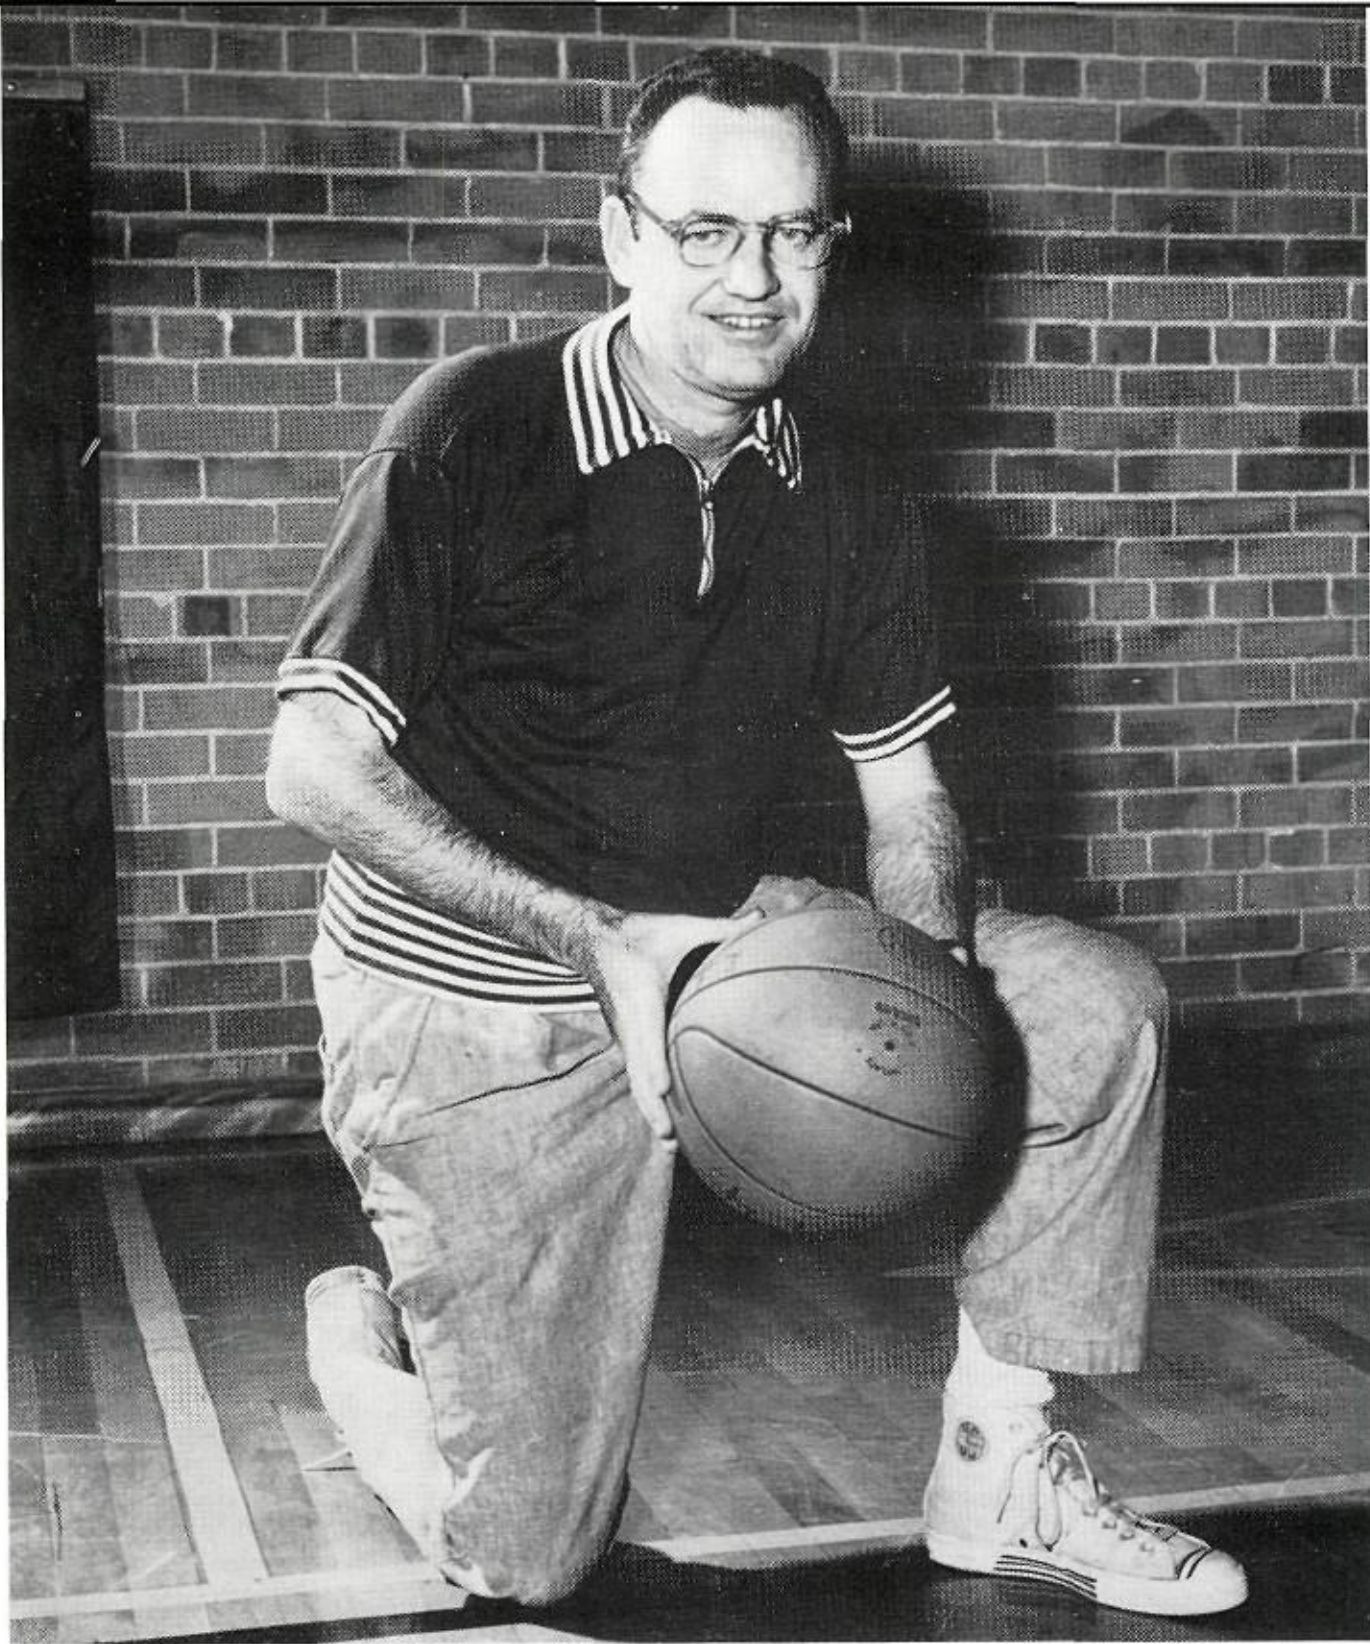

THE REBELS WERE BY FAR THE MOST IMPRESSIVE TEAM TO APPEAR IN THE ANNUAL HIGH SCHOOL TOURNAMENT IN RECENT YEARS. MANY CALLED THEM THE BEST EVER.

BUT, MORE IMPORTANT, THEY CARRIED THEIR GOOD IMPRESSION OFF THE COURT.

"EVERYWHERE YOU WENT," ANOTHER ADMIRER SAID, "YOU SAW THEM WAVING THOSE REBEL FLAGS BUT BEHAVING AS CHAMPIONS SHOULD."

JEFFERSON PROBABLY HAD THE STRONGEST STUDENT AND PARENT SUPPORT EVER ACCORDED A TEAM IN THE STATE TOURNAMENT. THE SCHOOL HAS AN ENROLLMENT OF SLIGHTLY MORE THAN 2,200, AND ABOUT 700 SHOWED UP FOR THE FIRST GAME, AGAINST BRYAN. BUT AN ESTIMATED 2,000-PLUS STUDENTS AND PARENTS WERE IN THE STANDS WHEN THE REBELS TRIMMED HOUSTON JEFF DAVIS, 69-45, FOR THE TITLE.

THAT 23-POINT MARGIN WAS A RECORD FOR A CLASS AAAA CHAMPIONSHIP GAME, AND DAVIS COACH FOSTER MARTIN CALLED THE REBELS THE BEST TEAM HE EVER HAD SEEN. "WE WERE HONORED TO GET TO PLAY THEM," HE SAID, AND BRYAN COACH C. P. (PECK) VASS ECHOED HIS REMARKS.

SENDING OFF . . .

. . . THE STATE CHAMPS (TO BE)

Lawn Assembly Attracts a Crowd

Enthusiasm and excitement reached its peak in the form of screams and yells at the pep assembly before the state basketball tournament. The excited students seemed to be held in a trancelike state, screaming, whistling, yelling and clapping.

As the State-bound team made its exit, the students sprang from their seats and followed. The excitement, too big to be held down, engulfed the band and drill team too as all went pouring out the doors onto the front lawn.

Yelling cheers from the roof of the school the cheerleaders led the crowds. The whole yard and both streets in front of the school were filled with students.

Finally, the Austin-bound bus arrived and the team boarded, still amidst a screaming, cheering crowd. As the bus pulled away a final cheer rose from the crowd—Jefferson's cheer for victory.

A GREAT SEASON

Jefferson had an extremely successful basketball season this year. The exceptional depth and the effective way in which this depth was used played an important role in the development of this AAAA championship team. The credit for the initiation of this two-platoon system goes to Assistant Coach Robbie Campbell and the perfection of this manner of playing is the work of Coach Archie Porter.

The REBELS lost only two games in the entire season, and these were during pre-district play. The REBELS gained the City play-offs by defeating determined teams from Hillcrest and Samuell. Jefferson placed Sunset out of the running for city champion honors, defeating the Bisons twice, 54-32 and 56-49. Paschal was the next victim of the hustling REBELS, losing in the Bi-District play-off 65-47. Tyler fell, having only 56 points to Jeff's 91—the highest score made in any game played in the city this year. The REBELS breezed into the State AAAA finals defeating Stephen F. Austin of Bryan 75-34—the most lopsided score ever made in the State Tournament. Jefferson set the new all time high for points scored in AAAA finals when they downed Jeff Davis of Houston 69-46.

BASEBALL TRYOUTS

Because of an exceptionally early deadline this year, only baseball tryouts could be pictured. On picture day a large portion of the hopefuls had already made an early start to Austin in support of REBEL basketball. In a pre-season game the REBELS took zone favorite Sunset without much trouble. They quickly followed up with a victory over their old-time rival Highland Park, always a tough club to beat.

The tryouts included: Johnny Bay, Leslie Caruth, Don Coker, David Cook, Bobby Fain, Rickey Fout, Rick Freivogle, Rob Freivogle, Bob Glover, Gary Hamilton, Albert Henry, Steve Hulme, Scotty Idzorek, Dale Johnson, Sandy Kaufman, Rick McCall, Mike McFarland, Jimmy Murrell, David Nelson, Rod Poirot, and Jim Westbrook.

DALLAS MORNING NEWS

To this point you have read and, we hope, enjoyed approximately 85 per cent of this book. That 85 per cent was put together by a great many people who put in a great many hours of hard work. To these people you, the reader, owe a debt of gratitude. Without their contribution, there would have been no 1962 DOCUMENT.

You are now about to begin the remaining 15 per cent. This is an exhibit of the contributions of a great many other people; but there is a difference. The people and the businesses whose names appear hereafter are responsible for the publication of the entire book. Without their contributions, there would have truly been no DOCUMENT. They have given generously out of admiration for Thomas Jefferson and its students. They ask only in return that you remember them as they remember you.

It pays to pick a winner!

And that's what TJ is—a winner! scholastically, geographically, athletically—TJ takes top honors!

Our new Chapel Downs home subdivision is a winner, too. It has beautiful homes and a fabulous location! And best of all, there's a private swimming pool and community house, so there's always a fun place for the kids to meet!

Located, of course, in Rebel Land! If there's a new home on your horizon, Pick a Winner!

Don't Only

To Bill Sultzbaugh,

Baby this is just to tell you that I love you more than anything this world!!! and always will. - Forever and ever. Darling I sure am glad I met you and I'm so proud to be going with you - cause I think you are the cuttiest and sweetest boy I've ever known.

Baby, I want to go with you forever if it is at all possible. Well Baby good luck through the coming years, - and remember I will always love you forever and ever.
